

# THE KING AND I

East versus West in this story set in Siam when an English widow, Anna, and her young son arrive at the Royal Palace in Bangkok, having been summoned by the King to serve as tutor to his many children and wives. The King is largely considered to be a barbarian by those in the West, and he seeks Anna's assistance in changing his image, if not his ways. With both keeping a firm grip on their respective traditions and values, Anna and the King grow to understand and, eventually, respect one another, in a truly unique love story.
