HOW TO FILM A VIDEO AUDITION:

- Find a blank wall in your house. Black, white, green, blue, it doesn't matter! Just make sure the shirt you're wearing doesn't make you blend into the wall and turn into a floating head.
- Find some good lighting. Do you have overhead lights you can position yourself under? A lamp you can move nearby? Just make sure you're not in shadow!
- Set your camera to capture your from the waist up. You can set your phone on a shelf or table, or have someone else with a steady hand hold the camera for you.
- Make sure your video is no longer than 1.5 minutes (90 seconds)

STEPS:

1. SLATE "Hello, my name is Jane Smith and I will be singing Fearless from Mean Girls"
2. SING the cut of your song (it can be a capella, with a youtube karaoke track, or with a real accompanist-- all we really care about is that we hear you)
3. CLOSE with a "Thank you"
