

Based on the 2003 hit movie, Elf introduces us to a young orphan named Buddy, who mistakenly crawled into Santa's bag of gifts and was transported to the North Pole. Raised by elves his entire life, Buddy doesn't know he is actually a human. When his enormous size and poor toy making ability cause him to face the truth, Buddy embarks on a journey to New York City to find his birth father and discover his true identity.

This modern-day holiday classic is sure to make everyone embrace their inner elf as Buddy wins over his new family and helps New York remember the true meaning of Christmas. After all, the best way to spread Christmas cheer is singing loud for all to hear.
